

# Sandra, You Are So Beautiful

You are so beautiful to me  
(As long as the world keeps turnin)  
You are the only thing I need in my life

Will you be my guidin light  
And forever on my side  
Really need to know where I belong

When any show that's on TV  
And any fashion magazine  
Make believe what's right and what is wrong

Sometimes I feel lonely  
But that won't last forever  
I'm leaving this just behind

You are so beautiful to me  
(As long as our hearts keep burnin)  
You are the only thing I need in my life

Could you ever turn around  
I could never let you down  
Wanna look you straight into the eye

I don't even care about  
What is in and what is out

Sometimes I feel lonely  
But that won't last forever  
I'm leaving this just behind

You are so beautiful to me  
(As long as the world keeps turnin)  
You are the only thing I need in my life

You are so beautiful to me  
(As long as our hearts keep burnin)  
You are the only thing I need in my life
