

# Sandy Denny, Ballad Of Easy Rider

The river flows, flows to the sea  
Wherever that river goes that's where I want to be  
Flow river flow, let your waters wash down  
Take me from this road to someother town

All he wanted was just to be free  
And that's the way it turned out to be  
Flow, river flow, let your waters wash down  
Take me from this road to someother town

Flow river go, past the shady tree  
Flow river flow, flow to the sea  
Flow river flow, flow to the sea

The river flows to the sea  
Wherever that river goes that's where I want to be  
Flow river flow, let your waters wash down  
Take me from this road to someother town

All he wanted was just to be free  
And that's the way it turned out to be  
Flow, river flow, let your waters rush down  
Take me from this road to someother town

Flow river go, past the shady tree  
Flow river flow, flow to the sea  
Flow river flow, flow to the sea
