

# Sandy Denny, Blues Run The Game

Lyrics (Sandy Denny version)

Catch a boat to England baby  
Maybe to Spain  
Whereever I have gone  
Whereever I've been and gone  
Whereever I have gone  
The blues are all the same

Send out for whisky baby  
Send out for gin  
Me and room service honey  
Me and room service babe  
Me and room service  
We're living a life of sin

When I'm not drinking baby  
You're on my mind  
When I'm not sleeping honey  
When I'm not sleeping honey  
When I'm not sleeping  
Well you know you find me crying

Maybe tomorrow baby  
Some place down the line  
I'll wake up older  
So much older honey  
I'll wake up older  
And I'll just stop all my trying

Living is a gamble baby  
Loving's much the same  
Whereever I have gone  
Whereever I've been and gone  
Whereever I have gone  
The blues have run the game

(repeat first verse)

Lyrics (Jackson C. Frank version)

Catch a boat to England baby  
Maybe to Spain  
Whereever I have gone  
Whereever I've been and gone  
Whereever I have gone  
The blues are all the same

Send out for whisky baby  
Send out for gin  
Me and room service honey  
Me and room service babe  
Me and room service, well  
We're living a life of sin

When I'm not drinking baby  
You are on my mind  
When I'm not sleeping honey  
When I ain't sleeping Mama  
When I'm not sleeping  
You know you find me crying

Try another city baby

Another town  
Whereever I have gone  
Whereever I've been and gone  
Whereever I have gone  
The blues come following down

Living is a gamble baby  
Loving's much the same  
Whereever I have played  
Whenever I've thrown them dice  
Whereever I have played  
The blues have run the game

Maybe tomorrow honey  
Some place down the line  
I'll wake up older  
So much older Mama  
I'll wake up older  
And I'll just stop all my trying

(repeat first verse)
