

Sandy, You & I

This is not an ordinary moment
This is my confession
Did you know how much i longed to have your love
Close to an obsession

Allt those nights, out of sleep
Tossing, turning for hours, oh
Allcause of you
Now my drams, come alive
Suddenly you know my secrets, oh
Im looking at you

I, think avout you
Every second, all the time
Cant believe that you are mine
You, make me feel so
Very special, warm inside
Let tonight be you & i
You & i

We can be a perfect combination
Im so glad ive found you
Couldnt live a better situation than this cause love is all around us
Is this real, is this true
Ive benn kissed by an angel, oh
That angel is you
Now im here, by your side
I can almost touch the heavens above
When looking at you

Chorus

Live every day
As if it was my last so come
Along with me
Be close to me
I am so amazed, by happiness
Never knew how love could
Be so real
Youre making me feel
