

# Santana, Choose

Tell me  
What you gonna do  
Where you gonna go  
Youre running out of time.

Hey baby  
Whats it gonna be  
Are you gonna stay  
Do you wanna be free.

Choose what ya gonna do  
Choose do what you gotta do  
Choose whats ya gonna be  
Choose, do what ya gotta do.

New day  
The time is right  
Ya make the move  
You do what you gotta do.

Youre free  
If you wanna be  
Youll see  
Aint nothing gonna stop you.

Choose whats ya gonna do  
Choose, do what ya gotta do  
Choose whats ya gonna be  
Choose, I believe to my soul that ya gotta be free.

New day  
Time is right  
Ya make the move  
Do what ya gotta do.

Youre free  
If you wanna be  
Youll see  
Aint nothin gonna stop you.

Choose what you gonna do  
Choose do what you gotta do  
Choose what you gonna do  
Choose do what you gotta do.
