

Santana, Everybody's

(Carlos Santana, Tyrone Moss, & Milton Brown)

Lead Vocal: Seems like everybody's waiting
For a new change to come around.

Background: Come around, come around, come around.

Lead Vocal: Waiting for the day when the
King, Queen of soul sing around

Background: Sing around, sing around, sing around, sing around.

Lead Vocal: You can understand everything's to
share. Let your spirit dance brothers everywhere. Let your head be free,
turn the wisdom key
Find it naturally - see you're lucky to be.
Dig this sound It's been round and round and round.

You get out your cold feet ba-by
Something on your back lay it down.

Background: Lay it down, lay it down, lay it down.

Lead Vocal: Don't you know honey maybe your light might shine this whole town

Background: This whole town, this whole town, this whole town, sing around.

Lead Vocal: Time for you to all get down
Yeah do it

Organ solo:

Background: Get ready uh - Get ready Uh -
Get ready uh - Get ready Uh -

Lead Vocal: Dig this sound
It's been round and round and round

You can understand everything's to share.
Let your spirit dance brothers everywhere.
Let your head be free. Turn the wisdom key
Find it naturally, see you're lucky to be
Sing it loud
It's time for you to all get down
Yeah do it.

Guitar solo:

Background
(8 times): Get ready Uh

Lead Vocal: Sing it loud
It's time for you to all get down
Yeah do it.
