

# Santana, Searchin'

Searchin, Im always searchin  
Searchin for my beloved  
Im gonna keep on searchin cause  
I need your love, yea  
Listen, my heart is callin  
Longing to have you near me  
Please believe me what Im sayin  
is true  
Every morning I wake up to you  
Searchin, searchin, searchin,  
searchin  
Every night my thoughts return to  
calling you  
Lover, dont keep me waiting  
You must hear what Im saying  
Im gonna keep on searchin till I win  
your love  
I can almost hear her gentle voice  
Searchin, searchin, searchin,  
searchin  
I can almost hear her smile of light  
Searchin, searchin, searchin,  
searchin  
I can almost feel the love reach out  
to me
