

Santana, Why Don't You And I

Since the moment i spotted you,
Like walking round with little wings on my shoes
My stomach's filled with the butterflies... ooo and it's alright
Bouncing round from cloud to cloud
I got the feeling like I'm never going to come down
If I said I didn't like it then you know I'd lied
ooo

[Pre-Chorus:]

Everytime I try to talk to you
I get tongue-tied
Turns out that everything I say to you
Comes out wrong and never comes out right

[Chorus:]

So I'll say 'why don't you and I get together and take on the world
and be together forever
Heads we will and tails we'll try again'
So I say 'why don't you and I hold each other and fly to the moon
and straight on to heaven
Cause without you they're never going to let me in'

When's this fever going to break?
I think I've handled more than any man can take
I'm like a love-sick puppy chasing you around
ooo and it's alright
Bouncing round from cloud to cloud
I got the feeling like I'm never going to come down
If said I didn't like it then you know I'd lied

[Pre Chorus]

[Chorus]

And slowly I begin to realize this is never gonna end
Right about the same time you walk by
And I say 'Oh here we go again, oh'

[Pre Chorus]

[Chorus 2x]
