Saosin, I Have Become What I Have Always Hate

Holy eyes bring back one Never if you only trust your separation I believe and then I'll try to give in Is one fall already bad? Seems far, but it's true Whoever told you that We will find a way to be this way It's true, whoever told you that It's fine to walk right outta control It's true, whoever told you that That's fine I hope the best for you It's true, whoever told you that We try the best to be the best but look what you've done We are respiratory We take violence in stride We are respiratory We are never to fall We are the only story, intriguing myth We told it twice before and I I believe and then I'll try to give in We owe the attention for Seems far, but it's true Whoever told you that We will find a way to be this way It's true, whoever told you that It's fine to walk right outta control It's true, whoever told you that That's fine I hope the best for you It's true, whoever told you that We try the best to be the best but look what you've done We are respiratory We take violence in stride We are respiratory We are never to fall
