

# Sara Bareilles, Many The Miles

There's too many things that I haven't done yet  
Too many sunsets I haven't seen  
You can't waste the day wishing it'd slow down  
You would've thought by now  
I'd have learned something

I made up my mind when I was a young girl  
I've been given this one world  
I won't worry it away  
But now and again I lose sight of the good life  
I get stuck in a low light  
But then love comes in

How far do I have to go to get to you  
Many the miles  
Many the miles  
How far do I have to go to get to you  
Many the miles  
But send me the miles and I'll be happy to follow you love

I do what I can wherever I end up  
To keep giving my good love  
And spreading it around  
Cause I've had my fair share of take care and goodbyes  
I've learned how to cry  
And I'm better for that

Sing how far do I have to go to get to you  
Many the miles  
Many the miles  
How far do I have to go to get to you  
Many the miles

Send me the miles and I'll be happy to follow you love

Red letter day and I'm in a blue mood  
Wishing that blue would just carry me away  
I've been talking to God don't know if it's helping or not  
But surely something has got to got to got to give  
Cause I can't keep waiting to live

How far do I have to go to get to you  
Many the miles  
Many the miles  
How far do I have to go to get to you  
Many the miles  
But send me the miles and I'll be happy to yeah  
How far do I have to go to get to you  
Many the miles  
Many the miles  
How far do I have to go to get to you  
Many the miles  
Many the miles  
Been talking to God don't know if it's helping or not  
Many the miles  
Many the miles  
How far do I have to go to get to you  
Many the miles  
Many the miles  
Oh send me the miles and I'll be happy to follow you love

There's too many things I haven't done yet  
Too many sunsets I haven't seen
