

Sara Bareilles, Space Boys (Girls5eva)

Ten, nine, eight, seven, six,
Five, five, five, five, five,
Blast off

Boarding the rocket
Lipstick in our pocket
Kisses on the docket
Five of Earth's hottest
Searching for...

Space Boys
It's a boy-kissing mission (Boy-kissing mission)
Space Boys
It's a mission that we gladly accept (Oh, we gladly accept)
Space Boys (Space boys)
Kisses are our nutrition
Space Boys
Looking for boys to inspect (Yeah)

Zero gravity kisses (Gravity kisses)
Granting all our wishes (All of our wishes)
Christmas for our lips is
Boys with skin like fishes
We're searching for...

Space Boys
It's a boy-kissing mission (It's a mission that were going on)
Space Boys
We found a planet full of girls, but we left(See you later!)

We checked Mars (They weren't there)
We checked Venus (They weren't there)
We checked the stars (They weren't there)
The Milky Way (They weren't there)
We checked Saturn (Nothing)
Jupiter (Nothing)
Neptune (Uh-uh)
Pluto (Nope)
Then we checked one more planet and found...

Space Boys
Their mouths in our vision
Space Boys
More exotic than a waiter from France (Ooh, la la)
Space Boys
We accomplished our mission (Accomplished our mission)
Let's check the sun for more space boys who are tan
(That's just space, boy)

Ten, nine, eight, seven, six,
Five, five, five, five, five
Mission accomplished
