

Sara Evans, A Real Fine Place To Start

I'm gonna do it darlin':
I could waste time tryin' the figure it out,
But I'm jumpin' in anyhow.
I've never been this far;
Didn't know love could run so deep:
Didn't know I'd lose this much sleep.

Holdin' you close, chasin' that moon.
Spinnin' all night,
Lovin' just who you are:
Sparks flyin' in the dark.
Shootin' out lights, runnin' down dreams,
Figurin' out what love really means:
Baby, givin' you my heart,
Is a real fine place to start.

Somethin' is goin' on,
I can't explain but sure can touch:
It's callin' both of us.
Stronger than any fear or doubt,
It's changin' everything I see:
It's changin' you, it's changin' me.

Holdin' you close, chasin' that moon.
Spinnin' all night,

Lovin' just who you are:
Sparks flyin' in the dark.
Shootin' down lights, runnin' down dreams,
Figurin' out what love really means:
Baby, givin' you my heart,
Is a real fine place to start.

Right here, right now's the perfect spot, the perfect time.
The perfect moment when your skin is next to mine.

Instrumental break.

Yeah, yeah:
Holdin' you close, (Holdin' you close.)
Chasin' that moon. (Chasin' that moon.)
Spinnin' all night,
Lovin' just who you are:
Sparks flyin' in the dark.
Shootin' out lights, (Shootin' down lights.)
Runnin' down dreams, (Runnin' down dreams.)
Figurin' out just what love really means:
Baby, givin' you my heart's a real fine place,
Real fine place to start.
Oh yeah.
Oh, oh, oh.
