

Sara Evans, Almost New

Almost new

That's the way the whole world looks tonight,
that's the way you make me feel and I,
Hope you feel it to.

When new everything can only be alright,
the future can't be anything but bright,
When your world is new.

They tell you when your young,
Your dreams will come undone,
and the tears will fall.
Maybe for once they're wrong,
maybe when love is strong you can have it all,
you can't beat the odds.

Almost new.

Don't ever say the word impossible,
everything's exactly wonderful.
'cause your world is new..

Way back a million years,
there was a garden here,
they burned it down..
Maybe before we're through,
we'll plant a garden to,
with this love we've found
on this holy ground.

Almost new..

Anyway that's how it feels tonight,
Everything is gonna be alright.
'cause it's almost new,
Yes it's almost new.
