

# Sara Evans, As If

Ooh yeah

I love the way you wear those worn out blue jeans  
Walkin' all around in the big sunshine  
Baby let me believe that you're perfect  
At least for a little while

You don't have to tell me what you're thinkin'  
You can keep all that to yourself  
Baby we got such a good thing going  
Don't show me that you're someone else

{Chorus}  
Cause I'm acting as if  
this blue sky's never gonna rain down on me  
I'm telling myself  
This true love's never gonna leave me lonely  
Unless there's something I've missed I'm acting as if

We don't have to have that conversation  
Baby don't ya think it's goin' fine  
We don't need to send out invitations  
To tell the world that you're mine

{Chorus}  
Cause I'm acting as if  
this blue sky's never gonna rain down on me

I'm telling myself  
This true love's never gonna leave me lonely  
Unless there's something I've missed I'm acting as if

As if your sweet kiss is never gonna fade away  
And the way you look at me will never change

Cause I love the way you wear those worn out blue jeans,  
Walkin' all around in the big sunshine

Cause I'm acting as if  
this blue sky's never gonna rain down on me  
I'm telling myself  
This true love's never gonna leave me lonely

I'm acting as if  
this blue sky's never gonna rain down on me  
I'm telling myself  
This true love's never gonna leave me lonely

Unless there's something I've missed  
Unless there's something I've missed  
I'm acting as if

Ooh yeah

Oh I'm acting as if
