

# Sara Evans, I Don't Wanna See The Light

(Sara Evans/Bill Rice/Sharon Rice)

There's a cold wind howlin' at the trailer door  
And the wolf that's been scratchin'  
Is coming back for more  
This quilt that Mama gave us  
Is the only thing between us  
And the sunrise  
And I don't want to see the light  
No, I don't want to see the light

I don't want to see the light of day  
Just this once  
Will you make it go away  
Take this burden from me  
Oh, tomorrow will keep  
I don't want to see the light of day

'Cause there are bills on the table and they're overdue  
And these dreams we've been chasing  
Well, they're far from coming true  
Oh, I'm not scared of tomorrow  
I just need a little more of tonight  
And I don't want to see the light  
No, I don't want to see the light

I don't want to see the light of day  
Just this once  
Will you make it go away  
Take this burden from me  
Oh, tomorrow will keep  
I don't want to see the light of day

Oh, take this burden from me  
Oh, tomorrow will keep  
I don't want to see the light of day  
I don't want to see the light of day
