Sara Evans, I Don't Wanna See The Light

(Sara Evans/Bill Rice/Sharon Rice)

There's a cold wind howlin' at the trailer door And the wolf that's been scratchin' Is coming back for more This quilt that Mama gave us Is the only thing between us And the sunrise And I don't want to see the light No, I don't want to see the light

I don't want to see the light of day Just this once Will you make it go away Take this burden from me Oh, tomorrow will keep I don't want to see the light of day

'Cause there are bills on the table and they're overdue And these dreams we've been chasing Well, they're far from coming true Oh, I'm not scared of tomorrow I just need a little more of tonight And I don't want to see the light No, I don't want to see the light

I don't want to see the light of day Just this once Will you make it go away Take this burden from me Oh, tomorrow will keep I don't want to see the light of day

Oh, take this burden from me
Oh, tomorrow will keep
I don't want to see the light of day
I don't want to see the light of day
