

# Sara Evans, Imagine That

Imagine me, still loving you  
After all you've put me through  
Well, I can't help it, I just do  
Imagine that and that's not the half

Imagine this if you can  
I've stood more, more than I should stand  
But I'd still take you back again  
Imagine that, ain't that a laugh

Can you believe I'd swallow my pride  
Well yes, yes, I guess you can

'Cause you know you've always had my foolish heart  
Right in the palm of your hand  
So, for what it's worth to you  
It just don't matter what you might do  
'Cause I'll still be waiting and loving you  
Imagine that, ain't that a laugh

So, for what it's worth to you  
It just don't matter what you might do  
'Cause I'll still be waiting and loving you  
Imagine that, ain't that a laugh
