

# Sara Evans, Need To Be Next To You

been runnin from these feelins for so long  
tellin my heart i didnt need you  
pretendin i was better off alone  
but i know that its just a lie  
so afraid to take a chance again  
so afraid of what i feel inside

but i need to be next to you  
Ohhh I Ohhh I  
I need to share every breath with you  
Ohhh I Ohhh I  
I need to know i can see your smile each morning  
look into your eyes each night for the rest of my life  
here with you near with you  
Ohhh i need to be next to you.

right here with you is where i belong  
i lose my mind if i cant see you  
without you there is nothin in this life  
that would make my life worth livin for  
cant bear the thought of you not there  
i cant fight what i feel anymore

cuz i need to be next to you  
Ohhh I Ohhh I  
I need to share every breath with you  
Ohhh I Ohhh I  
I need to know i can see your smile each morning  
look into your eyes each night for the rest of my life  
here with you near with you  
Ohhh i need to be next to you.

i need to have your heart next to mine  
for all time  
ohh love you for all of my life  
oh i need to be next to you  
ohhh I ohhhhhh I  
i need to share every breath with you  
ohhh I ohhhhhh I  
i need to know i can see your smile each mornin  
look into your eyes each night for the rest of my life  
here with you near with you  
ohhhh i need to be next to you  
ohh love you for all of my life  
oh i need to be next to you  
need to be next to you  
need to be next to you  
need to be next to you
