

Sara Evans, No Place That Far

I can't imagine any greater fear
Than waking up without you here
And though the sun would still shine on
My whole world would all be gone
But not for long...

(Chorus)

If I had to run
If I had to crawl
If I had to swim a hundred rivers
Just to climb a thousand walls
Always know that I would find a way
To get to where you are
There's no place that far

It wouldn't matter why we're apart
Lonely miles, or two stubborn hearts
Nothing short of God above
Could turn me away from your love
I need you that much

(Chorus)

Oh, if I had to run
(If I had to run)
If I had to crawl
(If I had to crawl)
If I had to swim a hundred rivers
Just to climb a thousand walls
Always know that I would find a way
To get to where you are
There's no place that far

Baby, there's no place that far
