## Sara Evans, Perfect

If you don't take me to Paris on a lover's getaway, it's alright, it's alright If I'd rather wear your t-shirt than a sexy negligee, it's alright, It's alright Every dinner doesn't have to be candlelit It's kinda nice to know that it

Doesn't have to be perfect Maybe every little piece of the puzzle doesn't always fit perfectly Love can be rough around the edges, tattered at the seams Honey, if it's good enough for you, it's good enough for me

If your mother doesn't like the way I treat her baby boy, it's alright, it's alright If, in every wedding picture, my daddy looks annoyed, it's alright, it's alright Don't you know that all the fairy tales tell a lie Real love and real life

Doesn't have to be perfect Maybe every little piece of the puzzle doesn't always fit perfectly Love can be rough around the edges, tattered at the seams Honey, if it's good enough for you, it's good enough for me

Oh, you don't mind if I show up late for everything When you lose your cool, it's kinda cute to me Hey, ain't it nice to know that we

Don't have to be perfect Maybe every little piece of the puzzle doesn't always fit perfectly Love can be rough around the edges, tattered at the seams Honey, if it's good enough for you, it's good enough for me

Oh, you're good enough for me, uh huh Yeah, you're good enough for me Oh, you're good enough for me
