

Sara Evans, That's The Beat Of A Heart

Sometimes its hard, you don't want to look over your shoulder
Cause you don't want to, remember where you've been
There'll come a time you'd die, if you could only hold her
Cause I know that's where I am

So listen with all your heart
Hold it inside forever
You may find that all of your dreams have already come true
Look inside and find the part
That's leading you
Cause that's the beat of a heart

Sometimes you'll drown it out with all your raging thunder
Sometimes you'll drown it out with all of your tears
There'll come a time when you'll hear and you'll wonder
Where in the world have I been?

So listen with all your heart
Hold it inside forever
You may find that all of your dreams have already come true
Look inside and find the part
That's leading you
Cause that's the beat of a heart

No one can tell you how to get there
It's the road you take all by yourself
All by yourself (All by yourself)

So listen with all your heart
Hold inside forever
You may find that all of your dreams have already come true
Look inside and find the part
That's leading you
Cause that's the beat of a heart
