

# Sara Evans, You Don't

You don't know what you do  
When you look at me that way  
You don't how my heart breaks  
Everytime you say my name  
You don't see all the tears  
That I cry in the dark  
You don't hear how I pray  
That you're safe when we're apart  
Everytime we kiss you don't know  
How you steal a piece of my soul

You don't know how it feels  
To be the one who loves the most  
How hard it is not to beg you to stay  
Then watch you go  
Oh, you say it's all in my head  
But to me it seems so real  
No, you don't know how it feels  
You might think you do  
But you don't  
Hey

And everytime we kiss you don't know  
How you steal a piece of my soul

You don't know how it feels  
To be the one who loves the most  
How hard it is not to beg you to stay  
Then watch you go  
Oh, you say it's all in my head  
But to me it seems so real  
No, you don't know it feels  
You might think you do  
But you don't  
No, you don't know how it feels  
You might think you do  
But you don't
