

# Sara James, Blue

But when I'm dreaming  
I see things they never leave my mind  
Memory seep in  
Cut deep and...  
Oh it's hard to tell you why

But my demons, u see them  
There's reasons you feel how i feel  
How i feel

So baby if you gonna break me  
Could you hold my body while u let me down  
I don't feel pain when you're around  
So baby, no I won't be angry  
Loving you is like  
Getting burn  
And feeling cold  
Like 2 kids kissing in the snow

I know it's all worth it  
I know  
That you worth it
