

# Sara James, Sunshine State Of Mind

Sara James prezentuje piosenkę "Sunshine State Of Mind".

My eyes are blank.  
I can see that your heart breaks.  
And I'm so afraid of what I  
might do if I'm not with you.  
I honestly hate myself.  
But the love in your eyes, I wanna feel it too.  
Sometimes I break myself.  
But when I open my eyes, all I can see is you.

So here I am, standing for you.  
I know that you want me to, know that you want me to.  
Stay right here, trying for you.  
So that's what I'll do for you, that's what I'll do for you.

Sunshine State of mind.  
Something's keeping me alive.  
Yeah, yeah.  
Sunshine State of mind.  
Something's keeping me alive.

Why do I feel too late?  
Over all my.  
Laughing till it hurts to cry.  
Used up all the butterflies.  
Come find me.  
Open my world.  
I think I've got a little more light.  
I honestly hate myself.  
But the love in your eyes, I wanna feel it too.  
Sometimes I break myself.  
But when I open my eyes, all I can see is you.

So here I am, standing for you.  
I know that you want me to, know that you want me to.  
Stay right here, trying for you.  
So that's what I'll do for you. That's what I'll do for you.

Sunshine State of mind.  
Something's keeping me alive.  
Yeah, yeah.  
Sunshine State of mind.  
Something's keeping me alive.  
Yeah, yeah.  
I honestly hate myself.  
But the love in your eyes, I wanna feel it too.  
Sometimes I break myself.  
But when I open my eyes, all I can see is you.
