

# Sara Paxton, I need a hero

I'm calling out  
I want you here  
This is my 9-1-1  
Im sinking down  
Into the fear  
That I just can't outrun  
To save myself  
All I can see  
Is that I've got no choice  
I cry for help  
And pray you'll be  
The one who hears my voice...  
I NEED A HERO  
Someone to rescue me when Im in a mess  
Whenever I'm falling  
Someone to be my safety net  
I NEED A HERO Watching over me  
I NEED A HERO In my time of need  
To fix it when it's going wrong  
To be big and strong  
You know that I NEED A HERO  
I see you there  
You're unaware  
Of what is in my heart  
Afraid to speak  
How can it be  
It's tearing me apart  
What can I do  
To make it through  
If you don't hear my cry  
It's not a test  
I'm on the edge  
And running out of time  
I NEED A HERO  
Someone to rescue me when Im in a mess  
Whenever I'm falling  
Someone to be my safety net  
I NEED A HERO Watching over me  
I NEED A HERO In my time of need  
To fix it when it's going wrong  
To be big and strong  
You know that I NEED A HERO  
Waited my whole life for someone like you  
And I think it's time for my dreams to come true  
If only you could hear me I know you'd be near me  
You'll never let me go  
I NEED A HERO  
Someone to rescue me when Im in a mess  
Whenever I'm falling  
Someone to be my safety net  
I NEED A HERO Watching over me  
I NEED A HERO In my time of need  
To fix it when it's going wrong  
To be big and strong  
You know that I NEED A HERO  
I NEED A HERO  
Someone to rescue me when Im in a mess  
Whenever I'm falling  
Someone to be my safety net  
I NEED A HERO Watching over me  
I NEED A HERO In my time of need  
To fix it when it's going wrong  
To be big and strong  
You know that I NEED A HERO
