

Sarah Brightman, Join Me

Will you join me, join me, join me
Will you join me, join me, join me
Will you join me, join me, join me

We are so young
our lives have just begun
but already we are considering
escape from this world
and we've waited for so long
for this moment to come
was so anxious to be together
together in death

Won't you die tonight for love
Will you join me in death
Won't you die
Will you join me in death
Won't you die tonight for love
Will you join me in death
Join me in death

This world is a cruel place
and we're here only to lose
so before life tears us apart let
death bless me with you

Won't you die tonight for love
Will you join me in death
Won't you die
Will you join me in death
Won't you die tonight for love
Will you join me in death
Join me in death

This live ain't worth living
This live ain't worth living
This live ain't worth living
Join me, join me
This live ain't worth living

Won't you die tonight for love
Will you join me in death
Won't you die
Will you join me in death
Won't you die tonight for love
Will you join me in death
