

# Sarah Brightman, No One Like You

In your eyes are my secrets that I've never shown you  
In my heart I feel I've always known you  
In your arms there's a comfort that I never knew  
You've what I've been waiting for  
There's no one like you

Sure as the sunrise, pure as a prayer  
You fashioned hope right out of thin air  
Every dream I abandoned seems it could come true  
I believe in miracles-  
There's no one like you

Innocent as a newborn in a world so frightening  
Seems as if my world's been struck by lightning  
Every dream I abandoned seems it could come true  
I believe in miracles  
There's no one like you
