

Sarah Brightman, The Last Man In My Life

I'm a lady when you kiss me,
I'm a child when you are leaving,
I'm a woman ev'ry time our bodies meet
complete.

Long lost feelings stir inside me,
used to think nights were for sleeping,
being wanted is a thrill I never knew
till you.

Now I'm alive, inside I'm glowing,
I'm how I want to be,
loving you I can be me,
just me.

It's the first time when you touch me,
now I long for rainy mornings,
I am certain you're the last man in my life.

I'm a woman ev'ry time our bodies meet
complete.

Long lost feelings stir inside me,
used to think nights were for sleeping,
being wanted is a thrill I never knew
till you.

Now I'm alive, inside I'm glowing,
I'm how I want to be,
loving you I can be me,
just me.

It's the first time when you touch me,
now I long for rainy mornings,
tell each other to find all we're looking for
and more.

Found the rainbow I was after,
no more dreams with one face missing,
I am certain you're the last man in my life.
