Sarah Brightman, The Last Man In My Life

I'm a lady when you kiss me, I'm a child when you are leaving, I'm a woman ev'ry time our bodies meet complete.

Long lost feelings stir inside me, used to think nights were for sleeping, being wanted is a thrill I never knew till you.

Now I'm alive, inside I'm glowing, I'm how I want to be, loving you I can be me, just me.

It's the first time when you touch me, now I long for rainy mornings, I am certain you're the last man in my life.

I'm a woman ev'ry time our bodies meet complete.

Long lost feelings stir inside me, used to think nights were for sleeping, being wanted is a thrill I never knew till you.

Now I'm alive, inside I'm glowing, I'm how I want to be, loving you I can be me, just me.

It's the first time when you touch me, now I long for rainy mornings, tell each other to find all we're looking for and more.

Found the rainbow I was after, no more dreams with one face missing, I am certain you're the last man in my life.
