

Sarah Connor, Where Do We Go From Here

No matter how hard I try
A love like that keeps pushing me inside
But after all is said and done
You're gonna be the only one
I wish that you were near me now
And get tangled heart to heart
I never felt a love like this before
You're the one I adore
Boy come to me cause love won't wait
Make up your mind, babe it's not too late
Boy I can feel there's love around
Uuhhh baby
Treat me like a lover
Sweet words of love I gave to you
Let yourself go, cause I'm feelin' blue
In my mind, you were always near
Uuhhh baby
Where do we go from here
So tell me now can there ever be
Anyone else for you but me
No other love can take your place
Or match the beauty of your face
I need to hold U in my arms
I got that lonely feeling again
You trapped me in, don't wanna waste my time
Please help me to ease my mind
Just like a planet needs water
Love needs a heart to survive
I hope that sooner or later
You'll realize...
