

# Sarah Masen, Breath

When I feel like crawling away  
From the pressures of this world  
I pray out unto You  
When my spirit sinks  
From the beating to my soul  
Do unto me, do unto me

You're the breath that makes my heart beat  
The root beneath the tree  
You're my laughter in the moonlit sky  
And I hope for comfort from You

I take all that You've given to me  
And use it for Your plans  
I lay out at Your feet  
What You've given me

You're the breath that makes my heart beat  
The root beneath the tree  
You're my laughter in the moonlit sky  
And I hope for everything

I feel every drum beat twirling around, around and around  
Your love is my heartbeat  
Stay with me, stay with me  
Stay with me, stay with me
