

# Sarah Masen, Flames Of Truth

Quiet confusion  
Strangle illusions  
Holding back the tears from falling

Drowning inside me  
Cover what i see  
Let Your light wash through my soul

Bum out what I see  
Bind my eyes  
Tear this painted black sea  
I&#039;m losing myself in my search for You  
I&#039;m reaching through the flames of truth

Show me Your Son&#039;s life  
Pictures of pure light  
I cannot capture His might  
But oh how I&#039;ve tried

Forgive my thunder  
Pushing You under  
Give me the strength to admit  
Nothing&#039;s my own here  
We fall and hearts tear  
Facing us towards the truth  
Leaving us with the truth
