

Sarah Masen, Jacob's Lullaby

In the dark blue sky
I can hear the sigh
Called the night time lullaby
It sings of the Creator's love
And rocks my soul to peace
My troubles are laid at Your feet
You dry my lonely tears
And wrap me in a gentle breeze
So I can feel You near
In the dark blue sky
I can hear the sigh
Called the night time lullaby
It sings of the Creator's love
And rocks my soul to peace
