

# Sarah Masen, Mary

I walk your story in my mind  
I slip into that day and dream away  
I see the secret in the smile you wear  
And the gift you hold inside  
When most had lost all hope for  
You held on  
It was a clever costume He wore  
To fool them all

Oh mary  
Rock the baby close  
Oh mary  
Love binds  
The child is there  
The kingdom in His eyes  
Oh mary  
What a surprise

They want a king  
The good that they had hoped for  
Is what they had failed to see  
It was a dream that you held anchored  
The truth for you and me

Oh mary  
Rock the baby close  
Oh mary  
Love binds  
The child is there  
The Kingdom in His eyes  
Oh mary  
What a surprise

I feel the wonder in your stare  
There's a Christ-child laying there  
Oh

Oh mary  
Rock the baby close  
Oh mary  
Love binds  
Oh the child is there  
The kingdom in His eyes  
Oh mary  
What a surprise  
Oh mary  
Rock the baby close  
The child is there  
Oh mary  
What a surprise
