

Sarah Masen, Peacefully

La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la

There's a peace that i have found
Goes beyond my understanding
It fills that need so deep inside
Fills me up to overflowing

Prince of Peace, work in me
Wonder, set me free
Mighty God
King of Kings
Father of eternity

Everything that I need
Peace that flows from you to me
Everything you are to me
Fill me up, fill me peacefully

Prince of Peace, work on me
Wonder, set me free
Mighty God
King of Kings
Father of eternity
Father of eternity

La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la

There's a peace that I have found
Goes beyond my understanding
It fills that need so deep inside
Fills me up to overflowing
