

Sarah Vaughan, I've Got A Crush On You

Ive got a crush on you, sweetie pie
All day and night time give me sign
I never had the least notion that
I could fall with so much emotion

Could you, could you care
For a cunning cottage we could share
The world will pardon my mush
Cause Ive got a crush my baby on you

How glad the million ralish from millionaires to carish
Would be to capture me
But you had such persistence, you wore down my resistance
I fell and it was swell

Youre my big and brave and handsome Romeo
How I won you I shall never never know
Its not that youre attractive
But, oh, my heart grew active
When you came into view

Ive got a crush on you, sweetie pie
All the day and night-time give me sigh
I never had the least notion that
I could fall with so much emotion

Could you, could you care
For a cunning cottage
That we could share
The world will pardon my mush
Cause I have got a crush, my baby, on you
