

# Sash, Colour The World

Colour The World, Colour The World  
Duni, akwe tu  
leba, leba  
Mama leba

Dr Alban's Rap  
Colour The World for we are the same  
The colour of the skin doesn't speak for you  
Make this world a much better place  
Together we can colour the world

Peace to the world, colour the world  
Different colour, different race  
Call it a world for everyone  
Together we can colour the world
