

Sash, Rock The Block

Haha, DeeJay Sash! Is about to rock the block!
Rock The Block!

He's been dancing all night,
'Till the morning light,
And I'm never gonna stop,
And I'm never gonna stop
Rock The Block!
He's been dancing all night,
'Till the morning light,
And I'm never gonna stop,
As long as you rock the block!

Rock The Block!
Rock The Block! (yeah, yeah)
Rock The Block!

Haha, DeeJay Sash! Is about to rock the block!

Rock The Block!
Rock The Block!
Rock The Block!

He's been dancing all night,
'Till the morning light,
And I'm never gonna stop,
As long as you rock the block!
