

Sasha, Days Like These

Music: Michael B. & di Lorenzo

Lyrics: Michael B., di Lorenzo & Pete Smith

Verse 1 Arguments rule today

we slug it out

tears are so common place

we're drowning now

Bridge

We're under a dark cloud, Baby

we cannot shake it off

(think) we gotta go right back to the start

to make it stop.

Chorus

Days like these

soon will end

it's gonna get better, Baby

hold that thought

say a prayer

rescue will come to save it

dawn will break

you will see

there will be no more days like these

Verse 2

We are both on defense

ready for attack

always prepared to fight

you watch your back

Bridge 2

I can't remember just how

far it was we fell

but we gotta try and relearn love

to break this spell.

Chorus

Interlude

Though I've never felt much

further from the past

oh, I know we'll make it

through the fire at last

Chorus
