

Sasha Lopez, Weekend (Ft. Broono & Ale Blake)

I'm feeling love right now,
Spinning in and 'round,
And it's getting stronger.
I'm giving love right now,
Spinning in and 'round,
And this can't be over.
I'm feeling love right now,
Spinning in and 'round,
And it's getting stronger.
I'm giving love right now,
Spinning in and 'round,
And this can't be over.

Feelin' s changin'
When we're believin'
But now the time's right
We start to make the next step
Said ola-e-a, ola-e-a
Good times now,
This is what you want,
This is what you want.

I'm feeling love right now,
Spinning in and 'round,
And it's getting stronger.
I'm giving love right now,
Spinning in and 'round,
And this can't be over.

I'm feeling love right now,
Spinning in and 'round,
And it's getting stronger.
I'm giving love right now,
Spinning in and 'round,
And this can't be over.
I'm feeling love right now,
Spinning in and 'round,
And it's getting stronger.
I'm giving love right now,
Spinning in and 'round,
And this can't be over.

We can see the temperature go up
Never die cause we party on and on
In the club you witness we don't stop
We party loud 'til the break of dawn

Feelin' s changin'
When we're believin'
But now the time's right
We start to make the next step
Said ola-e-a, ola-e-a
Good times now,
This is what you want,
This is what you want.

I'm feeling love right now,
Spinning in and 'round,
And it's getting stronger.
I'm giving love right now,
Spinning in and 'round,
And this can't be over.
