

# Sasha, Reach Inside

Tell me have we learned  
from the past, from the past  
Why do we see hurt  
then turn our backs, turn our backs  
Is there any hope  
A thousand words can't say  
Politicians choke  
While we stand off  
believing it's okay  
How can we reach inside our hearts  
Inside our hearts today  
How can we build on what we've got,  
Not throw it all away  
Will our children run  
like we do, like we do  
It's alright for some  
what a life me and you  
oblivious we stay  
looking for ourselves, if that's ok  
with our conscience clear  
it makes you wonder what we're doing here  
How can we reach inside our hearts  
Inside our hearts today  
How can we build on what  
we've got, not throw it all away
