

# Sasha, Rooftop

Music: Michael B. & di Lorenzo

Lyrics: Michael B., di Lorenzo & Pete Smith

Verse 1

It doesn't matter what they say  
You do your own thing anyway  
even though you contradict yourself  
if you need some help it's okay  
A little envy brings you doubt  
just eat it up and spit it out  
no need to make a compromise  
if you realize that you're strong enough, oh

Bridge

There's nothing better  
than a heartbeat over mind

Chorus

Shout it from the rooftop  
here I go  
beating on the back door  
of your soul  
walking on a tightrope  
don't you know  
takes you higher, takes you higher  
Dancing on the sidewalk  
letting go  
jumping on a fast train  
nice and slow  
surfing on a backbeat  
no control  
takes you higher, takes you higher

Verse 2

It doesn't matter what you do  
it's only someones point of view  
there doesn't have to be an alibi  
when you wanna cry cause you're blue  
to spend a little ain't no crime  
please yourself from time to time  
we all get caught out in the pouring rain  
we get wet the same  
does it matter, no, no

Bridge

There ain't nothing better  
than a heartbeat over mind

Chorus

Shout it from the rooftop  
here I go  
beating on the back door  
of your soul  
walking on a tightrope  
don't you know  
takes you higher, takes you higher  
Dancing on the sidewalk  
letting go  
jumping on a fast train  
nice and slow  
surfing on a backbeat  
no control  
takes you higher, takes you higher

C-Part

You hide behind feelings  
what's that all about  
no need to hold it back  
gonna shout it out, shout it out

Chorus
