

# Sasha, Something Stupid's Going On

Everytime you call on the phone  
you hit my heart it's pumpin'  
thinking that I did something wrong  
Everytime you knock on my door  
I know just what you're thinkin'  
maybe I'm inside with someone  
Why don't you just give it a rest  
just hold on -stop- you're buggin' me  
always thinkin' I'm outta line  
You keep on putting me to the test  
don't you know -I'm gonna go- for sure  
if you keep on playing with my mind  
Something stupid' s going on  
I know our love is wrong  
Can't we see where we belong  
You better think about  
It's time to stop --- before we go too far  
Pulling us apart and you don't  
realise --- what you're doing  
calling me on just for a fight  
If you think that I'm a dishonest guy  
what the hell - are you still doing here  
picking on me cannot be right  
If you think that I don't know where you're at  
you got - another thing coming  
ownership ain't part of the deal  
Jealousy don't get you nowhere  
I thought that you knew better  
what you're doing just isn't real
