

# Saszan, DIZZY

D-d-d-d-dizzy

She loves the white stripes  
if you know what I mean,  
So she can dance right  
with her friends in company  
She's taking shots now  
cos her vodka lemonade.  
Broke in her pocket  
and she just got paid.

She spent her last bit,  
last bit of change,  
on her friend who  
will probably be to blame  
The next morning,  
when her head starts to hurt.  
Rolling in hangover,  
and late for work.

If you're in the bathroom  
doing bad bad things,  
you better get out of there,  
This is your song to sing.

We all know that one girl  
who can move her body  
but she can't seem to party  
seem to party  
seem to party  
unless she's dizzy  
doo doo doo doo doo doo doo  
unless she's dizzy  
doo doo doo doo doo doo doo  
she's with her friends  
they're getting busy  
doo doo doo doo doo doo doo  
ah yeah she's dizzy  
ah yeah she's dizzy  
When she wakes up,  
swear she'll never do it again,  
But says the same damn thing  
after every weekend,  
She can't go out without her medication,  
life's a trip, she's on a vacation

Cause she can't seem to party  
seem to party  
seem to party

d-d-d-d-dizzy (Repeat)

Pops molly (molly)  
Eyes open wide,  
Don't wanna go home  
but it's getting light outside

She's flying higher than a kite  
to rise onto the finish line.  
Another drink wouldn't hurt right?

If you're in the bathroom  
doing bad bad things,  
you better get out of there,

this is your song to sing.

We all know that one girl  
who can move her body  
but she can't seem to party  
seem to party  
seem to party  
unless she's dizzy  
doo doo doo doo doo doo doo  
unless she's dizzy  
doo doo doo doo doo doo doo  
she's with her friends they're getting busy  
doo doo doo doo doo doo doo

ah yeah she's dizzy  
ah yeah she's dizzy
