

Satanic Surfers, Before It's Too Late

Let's try to wake them up from their passive state of mind it seems to be a great talent of the human kind to blackout the shit that is going on somewhere else 'cause it's not their problem according to themselves they close their eyes whenever there is something that they don't wanna see so I guess it's up to you and me to clean up the mess that surrounds us and leave a better place behind us 'cause there are too many people who don't give a fuck about this world, the little we got Make a change, take a stand before it's too late It's seems to me the money's put their minds in a state of confusion and to me their silence means to justify the pollution they close their eyes whenever there is something that they don't wanna see so I guess it's up to you and me to make a change in a world that stinks
