

Satanic Surfers, End Of The World

We used to skate together,
shared many laughs & beers,
but after all these years look what's become of us,
you stand on one side, me on the other,
can hardly stand each other.

Well i remeber, the games when we used to hang out,
but things have changed now, we hardly talk anymore.

I won't keep saying i am sorry, cause i don't think it was my fault,
no i don't think that i'm the one you should blame !

Blame a little on yourself, don't take it all on me,
don't ruin the little that might be left !

End of the world ...?

I know it's not, and i just won't let it be,
the end of me ...no !
