

Satanic Surfers, Institutionalised Murder

We don't have to feel it

The pain behind what we are served, just food on a plate, a disintegrated creature

(How much do we know)

About what we eat and where it comes from?

We know we are superior

But we sure as hell don't act responsible, no, instead we inseminate, force feed and cage them

And we call ourselves civilized

(Call ourselves human)

Yeah, we're so fucking civilized when we act like savages and speak of a higher morality

We wash the blood from our hands as we

Institutionalize murder

We wash the blood from our

We wash the blood from our hands

Will the cloning of animals bring us to a new dimension of cruelty, a step further on the scale of effi

I mean we already inseminate, force feed and cage them

Yeah, we're so fucking civilized
