

Satanic Surfers, Miss Bigmouth

Why don't you just shut up, keep quiet for a while,
and let somebody else speak out,
instead of you all the time.

Yes, why don't you just shut up !

stop whining for a minute !

don't interrupt me all the time, please wait until i'm finished.

Oh !

Miss Bigmouth, don't give me that buttface,

and if you have to wear that buttface,

just don't come around.

And if she was a cartoon in our tv,

everytime she said something,

loads of shit would be coming,

from her mouth
