Satanic Surfers, Retard

What the fuck do you think you're doing What's wrong inside your head If you ever do that again You are just as good as dead Retard - You say I'm a retard What the fuck do you think you're doing What's wrong inside your head If you ever do that again You are just as good as dead You're always treating me like dirt But you're too fucking blind to see You're the one with the attitude problem Won't you please stop calling me retard Retard - You're the retard Nothing you say is true
