

Satanic Surfers, That Song

I could write a thousand songs about my anger but it wouldn't change a thing in this world
I know that for a fact but it makes me feel a whole lot better
That's why I do this in the first place

I could write a thousand songs about my anger but it wouldn't change a thing in this world
I know that for a fact but it makes me feel a whole lot better, that's why I do this in the first place

It's not my purpose to speak for anyone else, hold no answers

Nor solutions, that song can only bring consolation for a while but it cannot act on your behalf so if

Sing along to the slogan filled refrain but don't let it numb your brain, change doesn't come in any s

That song won't save us [x2]
